

***Hi, I am the traffic light.
You have 30 seconds to
cross right.***

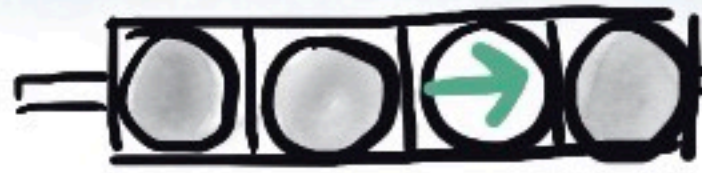

Never rush through a crossing. The light will go green again and you'll have enough time.

An illustration from a first-person perspective of a cyclist riding down a city street. The cyclist's hands are visible on the handlebars at the bottom. In the distance, another cyclist is riding ahead. To the left, a street sign for 'TENNIS ACADEMY' with a left-pointing arrow is visible. The background shows buildings, trees, and a cloudy sky. Two blue curved arrows indicate passing maneuvers: one on the left side of the road and one on the right side of the road ahead of the cyclist.

***Slow down near turns
and watch out for
moving vehicles.***

***Go past others
always from the right.***
